Are you shopping for School Assembly Programs that are Educational and Exciting???

Imagine taking your students on a journey around the world to meet some of the most amazing and colorful animals on our planet without ever leaving your school!

What makes “*The Amazing World of Frogs*” so special???

Let’s take a **CLOSER** look...

“*The Amazing World of Frogs*” is a dynamic program by one of the Northeast’s most sought-after assembly program presenters, Steve Woyce. Through the use of a state-of-the-art digital video camera and projection system, author and animal expert Steve Woyce, will bring your students face to face with a variety of live frogs and toads from around the world including the *American Bullfrog*, *Amazon Milk Frog*, *Red-Eyed Tree Frog* and more.
